## DEL PEZ SUPPORTS!

**Part of our mission at Del Pez  
is to support local community  
organizations. One of the  
ways we accomplish this is  
through fundraisers hosted at  
our restaurants. These events  
are easy to set up, fun to  
attend, and can give great  
exposure to your  
organization. A portion of the  
revenue will be donated to  
your 501(c)3 or non-profit  
school/organization.**
